

Scientific Program Layout EuroELSO 2022 Congress*

Wednesday, 4 May 2022		Topics*
08:00-18:00	Pre-Congress Program	Basic courses VA- / VV-ECMO, RESP Masterclass, Mobilization Masterclass, Cath lab Masterclass, ECPR Masterclass, Pediatric Respiratory Failure, Pediatric Heat Failure, Virtual Cannulation Workshop
10:00-10:30	Coffee break	
15:30-16:00	Coffee break	
Thursday, 5 May 2022		Preliminary session titles
08:00-08:45	Industry	Breakfast Industry Symposia
09:00-10:00	Opening Ceremony	
10:00-10:30	Coffee break and visit of the exhibition	
10:30-12:30	Congress Program	Adult Cardiac - State of the Art in Acute Heart Failure, Adult respiratory - Lessons from severe COVID ARDS - joint session with SMART, Paediatric ECMO Referral Criteria & Selection: Let's get the timing right!, Paediatric Mechanics of the Circuit: How can we make the circuit last?, Optimization of Cardiac function on VA-ECMO, Nursing - adult - what have I learnt from the pandemic?, Perfusion - cannula session, Educational Corners
12:45-13:45	Industry	Industry Lunch Symposia
14:00-16:00	Congress Program	Adult Cardiac - Supporting the heart, Adult respiratory - How to ventilate on ECMO?, Neonatal and paediatric ECMO: Pushing the boundaries, Paediatric ECMO: Optimal delivery of ECMO, Monitoring a Severe ARDS patients Joint session with ESICM, Nursing - Interactive sessions around clinical cases, Perfusion - membrane and oxygenator material session - Joint session with ESAO
16:00-16:45	Coffee break and visit of the exhibition	

16:45-18:45	Congress Program	In the cath lab - Joint session with ACVC, Adult Respiratory - What is the future for ECCO2R?, Paediatric ECPR, Paediatric Session: Research on ECMO, Infections and ECMO, Nursing - Around and beyond the ECMO, Circuits and Pumps, Educational Corners
18:45-19:45	Come together in the exhibition area	
From 19:45	Congress Reception	at Westminster Abbey

Scientific Program Layout EuroELSO 2022 Congress*

Friday, 6 May 2022		Preliminary session titles
08:00-08:45	Industry	Breakfast Industry Symposia
09:00-10:00	Congress Program	Immunocompromised patients, Adult Multidisciplinary team, Paediatric Session - Anticoagulation on ECMO, Paediatric Session - anticoagulation on ECMO, Paediatric Session - Neonatal ECMO, ECMO in the multiple organ failure patient, Anticoagulation and biocompatibility, Educational Corners
10:00-10:30	Coffee break and visit of the exhibition	
10:30-12:30	Congress Program	ECMO in adult cardiothoracic surgery/ interventional cardiology, Adult MDT - awake ECMO, Paediatric Session: Conundrums in Paediatric ECMO, Paediatric: Respiratory ECMO, Bridge to destination in respiratory failure, Coffee corner: Meet and discuss with the experts..., Educational Corners
12:45-13:45	Industry	Industry Lunch Symposia
14:00-16:00	Congress Program	Adult ECPR, Adult - is it worth having an ECMO program?, Paediatric Session: State of art Acute Heart Failure, Bridge to long term MCS in cardiac failure, Ethics,
16:00-16:30	Coffee break and visit of the exhibition	

16:30-18:00	Congress Program	The dark side of adult ECPR, Meet the experts around a complex case, Paediatric ECMO: The future – working towards best outcomes delivered in most efficient way, Paediatric ECMO - maximising team performance, ECLS in special circumstances
18:00-18:30	Closing Ceremony	

The session times of the scientific program apply to local UK time.

*Amongst others and subject to change

The scientific program will be available at www.euroelso-congress.com
